

## Achieving High-End Quality with Portable Metrology

Join us on our upcoming *Portable Metrology Seminar* in partnership with Hexagon. Experience live demonstration and learn more about portable measurement arms and see why they are an essential part of manufacturing toolset. **Hexagon Manufacturing Intelligence** provides industrial metrology systems for when dimensional measurement matters.

Date	<b>Thursday, 23 March 2023</b>
Time	1000 to 1530 hours. (Registration begins at 0930 hours)
Venue	89 Cosmo Office Park, 7th Floor Unit N, Popular Road, Ban Mai, Pakkret, Nonthaburi 11120, Thailand
Our speakers	 <p><b>Prem Peetz</b>        (Sales Manager – PCMM, Commercial Operation Thailand)  <i>Hexagon Manufacturing Intelligence</i></p>
Topics	<ul style="list-style-type: none"> <li>• New <b>Hexagon</b> Absolute Arm features and benefits</li> <li>• <b>AICON</b> 3D systems</li> <li>• <b>Leica</b> Laser Tracker – Features and Applications</li> <li>• <b>Hands-on Demonstration Sessions</b> with InnovMetric <b>PolyWorks</b> software</li> </ul>
<p>Why Attend?</p> <ul style="list-style-type: none"> <li>• Get the latest updates on portable measurement arms—with Universal applications for various industries and parts.</li> <li>• To explore Hexagon's portfolio of structured light scanning solutions with Aicon 3D Systems.</li> <li>• To gain knowledge how to efficiently utilize direct scanning and handheld scanning solutions for laser tracker systems.</li> <li>• To experience live product demonstration sessions with InnovMetric PolyWorks Software.</li> </ul>	
<p>Free Registration (up to two persons per company). <b>To Reserve:</b> Click <a href="#">HERE</a> or send us an email at <a href="mailto:sales@cairnhill.com">sales@cairnhill.com</a>. Allocation on a <b>first-come, first-serve basis</b>.</p>	
<p>Lunch and Certificate of Attendance Provided</p>	

## Achieving High-End Quality with Portable Metrology

Hexagon's Manufacturing Intelligence division empowers customers to put data to work throughout the product manufacturing lifecycle, digitally transforming operations to improve productivity and efficiency while embedding quality throughout the process. Our hardware solutions use metrology to bring real-world physical attributes to the digital thread to improve the accuracy of operations.

- Hexagon Absolute Arm Portable CMMs
- Leica Laser Tracker Systems
- Hexagon White Light Scanner Systems

### AGENDA

09:30 - 10:00	Registration and Coffee
10:00 - 10:15	Welcome Remarks
10:15 - 10:50	Products Overview Introduction - Features and Application
10:50 - 11:00	Tea/Coffee Break
11:00 - 12:00	Hexagon Absolute Arm- Demonstration
12:00 - 13:00	Lunch
13:00 - 13:50	AICON 3D systems- Demonstration
13:50 - 14:00	Tea/Coffee Break
14:00 - 15:00	Leica Laser Tracker- Demonstration
15:00 - 15:30	Q&A and Wrap up
