

## ISO Compliance for Metrology

Join us on our first seminar in Cebu and unlock the potential cutting-edge metrology solutions streamlining production efficiencies. Our speakers will walk you through the latest updates of our Metrology Solutions, helping you find the perfect fit for your unique requirements.

Date	<b>Friday, 23 February 2024</b>	
Time	13:00 – 17:00 hours. (Registration begins at 12:00 hours)	
Venue	Belmont Hotel Mactan The Mactan Newtown, Newtown Boulevard, Lapu-Lapu City, Cebu Philippines <a href="#">Location Map</a>	
Our speakers	 Dr. Mark Lim Regional Operations Director Cairnhill Metrology	 Louie B. Eustaquio Head of Department, T&S, A&M Cairnhill Metrology
Topics	<ul style="list-style-type: none"> <li>• <b>Cairnhill Metrology Philippines and your measurement needs</b></li> <li>• <b>ISO17025 accredited and why it matters</b></li> <li>• <b>Virtual Tour of Cairnhill Philippines Metrology Application Centre</b></li> </ul>	
<p style="text-align: center;">Why Attend?</p> <ul style="list-style-type: none"> <li>• Know the requirements for complying to international standards for dimensional and geometrical measurement.</li> <li>• Discover the international grade measuring services available to you and your organization in Cebu</li> </ul>		
<p>Free Registration. To Reserve: RSVP <a href="#">here</a> by 20 February 2024 or send us an email at <a href="mailto:sales@cairnhill.com">sales@cairnhill.com</a>. Allocation is on a first-come, first-serve basis.</p>		
Lunch, Refreshments, & Technical Materials Provided		
You may also request a 90-minute one-to-one private session with our speaker		

## Cairnhill Metrology Laboratory Accreditations

**ISO/IEC 17025** enables laboratories to demonstrate that they operate competently and generate valid results, thereby promoting confidence in their work both nationally and around the world. This standard is useful to:

- Product Certification Organizations
- Inspection Bodies
- Research Centres
- Regulators
- Governments
- Universities
- Other conformity assessment bodies with the need to do testing, sampling, or calibration

Cairnhill Metrology is certified to ISO/IEC 17025:2017 Laboratory Accreditation in Singapore, Malaysia, Thailand, and the Philippines by the Singapore Accreditation Council - Singapore Laboratory Accreditation Scheme (SAC-SINGLAS) and in Indonesia by the Komite Akreditasi Nasional (KAN).

The general scope of accreditation covers calibration of Coordinate Measuring Machines, Optical Non-Contact Coordinate Measuring Machines, Surface Roughness, Contour and Roundness Testers, Profile Projectors and Universal Length Microscopes. Our calibration labs in Thailand, Philippines and Indonesia are also accredited for Portable Coordinate Measuring Machines complying with B89 standard, and ISO10360-12 standard for the latest model. We are also accredited for the calibration of Checkweighing systems in Singapore, Malaysia, and Indonesia.
