

Seminar! **Q-DAS in Action: Live Demo, Forum, and Best Practices**

Join us for an exclusive follow-up seminar, building on the insights from our previous webinar on driving smart manufacturing with data management.

We're diving deep with a **live demonstration** showcasing Q-DAS's remarkable ability to connect and integrate with diverse measurement equipment. Don't miss live data acquisition and analysis from industry-leading machines like the **Accretech CMM**, **Accretech Rondcom Nex**, and **Nikon iNEXIV VMA 4540**. See firsthand how Q-DAS provides a unified, powerful platform for all your quality data.
